shopping safe

Kiddy Care is our step-by-step procedure for parents, children and all those working in the shopping centre in the event of a child getting lost in Mill Gate.

Today's shopping centres are very busy places - and Mill Gate is no exception. To most, it is easy to find your way around, but to a small child it can be a bewildering and frightening place, especially if they become separated from their parents even for a very short space of time. Kiddy Care is designed to educate and inform making all of us more aware of what to do if a child is lost.
